

**We are looking for a new colleague to join our team within transfer pricing.**

CORIT Advisory P/S is looking for a candidate to assist us in achieving our high ambitions within the area of transfer pricing.

We are experiencing an increased demand for independent and high-quality transfer pricing services. If you are interested in performing high-quality transfer pricing services as well as actively participating in the further development of our service offering within transfer pricing, you might be the person we are looking for.

We are looking for an ambitious team player, with at least a couple of years of experience within transfer pricing. It is not a requirement but it is preferred if you have already or is on the way to establishing a name in the market. We want you to participate in the further development of our transfer pricing business. You must share our views on advisory services, the value of technical capabilities, quality and collegiality.

This position should appeal to candidates:

- Who are thriving in informal surroundings in a small organization without bureaucracy and restricting formalities.
- Who value an inspiring technical environment.
- Who see the benefits of working from a focused and independent platform.
- Who value independence and influence.

It is a requirement that the candidate is fluent in Danish as well as English.
